

OUR FASHION DEPARTMENT.

Nos. 5111-5115.—Little Boys' Suit.
A smart suit for the little boy is here pictured. The knickerbockers, so universally becoming to the small boy, are shaped by the usual outside and inside seams and the fullness at the knee is confined by leg bands, or by an elastic inserted in a casing. The waist has three tucks on either side the center boxpleat and an Eton collar finishes the neck. The waist may be made of percale, linen or any one of the shirting materials, and the trousers of light weight cloth, or the whole suit could be made of white flannel, duck, pique, or Kersey cloth. The medium size requires one and three-quarter yards of thirty-six-inch material for the shirt waist and one and one-eighth yards for the bloomers.
Shirt waist, No. 5111: Sizes for 3, 4, 5, 6, 7, 8, 9 and 10 years.
Bloomers, No. 5115: Sizes for 3, 4, 5, 6, 7, 8, 9 and 10 years.
The above illustration calls for two separate patterns. The price is ten cents for the waist and ten cents for the bloomers.
